SULFEET once was a S.O.D.-tributeband. After 7 years of EXOTO, various other bands, 20 year of metal silence and his 50th anniversary, Flip decides to put all of his concerns and thoughts in a song, resulting in more than 30 metal songs, from all the different metal styles he likes, mainly going back to the golden metal 80's.

SULFEET(80's Heavy Metal) - Dark Ages (4-track) available in all your favorite online stores and (soon) for sale on CD.
